Dear Ken

LETTER OF REFERENCE – MILLISCREEN CONCRETE REHABILITATION CONTRACT

ARMATEC Environmental Ltd were our contractors for the Milliscreen Concrete Rehabilitation Contract.

This was a very difficult job which ARMATEC completed two weeks ahead of schedule and within the price agreed. The completed work met with all the specifications and a year later, on inspection of the site, no faults were found.

I was very impressed with the professionalism and reliability of ARMATEC.

Yours faithfully
